May 6, 2023, Cincinnati, Ohio - The National Association Directors of Nursing Administration in Long-Term Care (NADONA/LTC) announces the winners of its Stephanie Carroll Memorial scholarships.

The Stephanie Carroll Memorial Scholarship Awards are in memory of Stephanie Carroll, a long-time valued NADONA/LTC employee. The scholarships are intended for nursing students enrolled in an accredited nursing program or in an undergraduate program who have chosen long-term care or geriatrics as their practice area after graduation.

Sherrie Dornberger, RN, Executive Director of NADONA, stated, “We are so proud to partner with PharMerica for over 10 years to award these scholarships to deserving members of our CAREFORCE!! Lisa Bowen, PharMerica’s Vice President of Marketing, stated, “We are honored to support the advancement of nurses with these scholarship awards. The tireless dedication and compassion of those who choose long-term care as their profession directly translates into driving quality outcomes for facilities and helping residents live their best life.
